

## Aros Park Active Acrobats

(following the play equipment trail).

Head up the drive and turn left to Dingley Dell

### Dingley Dell:

Can you walk along the swinging chain bridge without putting your feet on the ground?

How many ways can you hang upside down on the climbing frame?

*look for a fir cone*

### Squinty ladder and shuffle bars.(Waterfall view)

Can you get from one end of the shuffle bars to the other without putting your feet on the ground.

Try walking the length of the balance beam with-out falling off.

*How many steps are there coming down towards the power house?*

### Wobble board.

Try and wobble each other off the wobble board, first to five falling off loses.

*How many different leaves can you find lying on the track between the wobble board and scramble net, can you identify them?*

### Scramble net

Go up the slopy side and down the other side 10 times, how long did it take you?

### Main car Park

**Build a den or nest for a creature under the big tree play area near the car park - look for others already built.**

Activities with  are to be done between play equipment challenges. Take a photo of activities and post on Mull and Iona Ranger Service Facebook page : ) We would love to see what you got up to.
